**Definitions of terms:** Terms used but not defined in this form that are defined in Rule 405. and Rule 501 under the Securities Act of 1933. 17 CFR 230.405 and 230.501, have the meanings given to them in those rules.

#### **Item-by-Item Instructions**

- Item 1. Issuer's Identity. Identify each legal entity issuing any securities being reported as being offered by entering its full name; any previous name used within the past five years; and its jurisdiction of incorporation or organization, type of legal entity, and year of incorporation or organization within the past five years or status as formed over five years ago or not yet formed. If more than one entity is issuing the securities, identify a primary issuer in the first fields shown on the first page of the form, checking the box provided, and identify additional issuers by attaching Items 1 and 2 continuation page(s).
- Item 2. Principal Place of Business and Contact Information. Enter a full street address of the issuer's principal place of business. Post office box numbers and "In care of" addresses are not acceptable. Enter a contact telephone number for the issuer. If you identified more than one issuer in response to Item 1, enter the requested information for the primary issuer you identified in response to that item and, at your option, for any or all of the other issuers you identified on your Item 1 and 2 continuation page(s).
- Item 3. Related Persons. Enter the full name and address of each person having the specified relationships with any issuer and identify each relationship:
- Each executive officer and director of the issuer and person performing similar functions (title alone is not determinative) for the issuer, such as the general and managing partners of partnerships and managing members of limited liability companies; and
- Each person who has functioned directly or indirectly as a promoter of the issuer within the past five years of the later of the first sale of securities or the date upon which the Form D filing was required to be made.

If necessary to prevent the information supplied from being misleading, also provide a clarification in the space provided.

Identify additional persons having the specified relationships by checking the box provided and attaching Item 3 continuation page(s).

**Item 4. Industry Group.** Select the issuer's industry group. If the issuer or issuers can be categorized in more than one industry group, select the industry group that most accurately reflects the use of the bulk of the proceeds of the offering. For purposes of this filing, use the ordinary dictionary and commonly understood meanings of the terms identifying the industry group.

#### Item 5. Issuer Size.

- Revenue Range (for issuers that do not specify "Hedge Fund" or "Other Investment Fund" in response to Item 4): Enter the revenue range of the issuer or of all the issuers together for the most recently completed fiscal year available, or, if not in existence for a fiscal year, revenue range to date. Domestic SEC reporting companies should state revenues in accordance with Regulation S-X under the Securities Exchange Act of 1934. Domestic non-reporting companies should state revenues in accordance with U.S. Generally Accepted Accounting Principles (GAAP). Foreign issuers should calculate revenues in U.S. dollars and state them in accordance with U.S. GAAP, home country GAAP or International Financial Reporting Standards. If the issuer(s) declines to disclose its revenue range, enter "Decline to Disclose." If the issuer's(s') business is intended to produce revenue but did not, enter "No Revenues." If the business is not intended to produce revenue (for example, the business seeks asset appreciation only), enter "Not Applicable."
- Aggregate Net Asset Value(for issuers that specify "Hedge Fund" or "Other Investment Fund" in response to Item 4): Enter the aggregate net asset value range of the issuer or of all the issuers together as of the most recent practicable date. If the issuer(s) declines to disclose its aggregate net asset value range, enter "Decline to Disclose."
- Item 6: Federal Exemption(s) and Exclusion(s) Claimed: Select the provision(s) being claimed to exempt the offering and resulting sales from the federal registration requirements under the Securities Act of 1933 and, if applicable, to exclude the issuer from the definition of "investment company" under the Investment Company Act of 1940. Select "Rule 504(b)(1) (not (i), (ii) or (iii))" only if the issuer is relying on the exemption in the introductory sentence of Rule 504 for offers and sales that satisfy all the terms and conditions of Rules 501 and 502(a), (c) and (d).
- Item 7. Type of Filing. Indicate whether the issuer is filing a new notice or an amendment to a notice that was filed previously. If this is a new notice, enter the date of the first sale of securities in the offering or indicate that the first sale has "Yet to Occur." For this purpose, the date of first sale is the date on which the first investor is irrevocably contractually committed to invest, which, depending on the terms and conditions of the contract, could be the date on which the issuer receives the investor's subscription agreement or check.
- Item 8. Duration of Offering. Indicate whether the issuer intends the offering to last for more than one year.

#### Item-by-Item Instructions (Continued)

Item 9. Type(s) of Securities Offered. Select the appropriate type or types of securities offered as to which this notice is filed. If the securities are debt convertible into other securities, however, select "Debt" and any other appropriate types of securities except for "Equity." For purposes of this filing, use the ordinary dictionary and commonly understood meanings of these categories. For instance, equity securities would be securities that represent proportional ownership in an issuer, such as ordinary common and preferred stock of corporations and partnership and limited liability company interests; debt securities would be securities representing money loaned to an issuer that must be repaid to the investor at a later date; pooled investment fund interests would be securities that represent ownership interests in a pooled or collective investment vehicle; tenant-in-common securities would be securities that include an undivided fractional interest in real property other than a mineral property; and mineral property securities would be securities that include an undivided interest in an oil, gas or other mineral property.

Item 10. Business Combination Transaction. Indicate whether or not the offering is being made in connection with a business combination, such as an exchange (tender) offer or a merger, acquisition, or other transaction of the type described in paragraph (a)(1), (2) or (3) of Rule 145 under the Securities Act of 1933. Do not include an exchange (tender) offer for a class of the issuer's own securities. If necessary to prevent the information supplied from being misleading, also provide a clarification in the space provided.

**Item 11. Minimum Investment.** Enter the minimum dollar amount of investment that will be accepted from any outside investor. If the offering provides a minimum investment amount for outside investors that can be waived, provide the lowest amount below which a waiver will not be granted. If there is no minimum investment amount, enter "0." Investors will be considered outside investors if they are not employees, officers, directors, general partners, trustees (where the issuer is a business trust), consultants, advisors or vendors of the issuer, its parents, its majority owned subsidiaries, or majority owned subsidiaries of the issuer's parent.

Item 12. Sales Compensation. Enter the requested information for each person that has been or will be paid directly or indirectly any commission or other similar compensation in cash or other consideration in connection with sales of securities in the offering, including finders. Enter the CRD number for every person identified and any broker and dealer listed that has a CRD number. CRD numbers can be found at http://brokercheck.finra.org. A person that does not have a CRD number need not obtain one in order to be listed, and must be listed when required regardless of whether the person has a CRD number. In addition, check the State(s) in which the named person has solicited or intends to solicit investors. If more than five persons to be listed are associated persons of the same broker or dealer, enter only the name of the broker or dealer, its CRD number and street address, and the State(s) in which the named person has solicited or intends to solicit investors.

Item 13. Offering and Sales Amounts. Enter the dollar amount of securities being offered under a claim of federal exemption identified in Item 6 above. Also enter the dollar amount of securities sold in the offering as of the filing date. Select the "Indefinite" box if the amount being offered is undetermined or cannot be calculated at the present time, such as if the offering includes securities to be acquired upon the exercise or exchange of other securities or property and the exercise price or exchange value is not currently known or knowable. If an amount is definite but difficult to calculate without unreasonable effort or expense, provide a good faith estimate. The total offering and sold amounts should include all cash and other consideration to be received for the securities, including cash to be paid in the future under mandatory capital commitments. In offerings for consideration other than cash, the amounts entered should be based on the issuer's good faith valuation of the consideration. If necessary to prevent the information supplied from being misleading, also provide a clarification in the space provided.

Item 14. Investors. Indicate whether securities in the offering have been or may be sold to persons who do not qualify as accredited investors as defined in Rule 501(a), 17 CFR 230.501(a), and provide the number of such investors who already have already invested in the offering. In addition, regardless whether securities in the offering have been or may be sold to persons who do not qualify as accredited investors, specify the total number of investors who already have invested.

Item 15. Sales Commission and Finders' Fees Expenses. The information on sales commissions and finders' fees expenses may be given as subject to future contingencies.

Item 16. Use of Proceeds. No additional instructions.

Signature and Submission. An individual who is a duly authorized representative of each issuer identified must sign, date and submit this notice for the issuer. The capacity in which the individual is signing should be set forth in the "Title" field underneath the individual's name.

The name of the issuer(s) on whose behalf the notice is being submitted should be set forth in the "Issuer" field beside the individual's name; if the individual is signing on behald of all issuers submitting the notice, the word "All" may be set forth in the "Issuer" field. Attach signature continuation page(s) to have different individuals sign on behald of different issuer(s). Enter the number of continuation pages attached and included in the filing. If no continuation pages are attached, enter "0".
